

TSE ICJ Index Outline

Name of Index	TSE ICJ Index
Base Date / Base Value	June 13, 2011/ 1,000 points
Launch Date	Monday, July 1, 2011
Component Issues	Issues listed on the Tokyo Stock Exchange that participate in the "Electronic Voting Platform" operated by ICJ, Inc.
Issue Selection	In general, additions will be made once a year during the index review (issues participating in the "Electronic Voting Platform" as of the last day of April will be added to the index at the end of May every year). Exclusions due to delisting, etc. will be handled in the same way as TOPIX and other indices.
Calculation Method	Free float adjusted market-capitalization weighted average method. (Free float weights will be the same as TOPIX and other indices.)
Index Value Publication	Daily closing prices for the previous month are published on TSE website on the first business day of each month under "Electronic Voting Platform for Institutional Investors" on the TSE website as well as the ICJ website. http://www.tse.or.jp/english/listing/meeting/ http://www.icj-co.com/english/introduction.html
